North Valley Chorale

The North Valley Chorale (NVC) is a voluntary, non profit (501 (c)(3)) organization dedicated to the **cultural, musical, and social enrichment** of metropolitan Phoenix and its surrounding communities.

We serve all segments of our community by providing affordable and accessible performances of choral music from many traditions, eras, and cultures. Our repertoire ranges from classical to pop and Broadway.

We reach out into the community to serve and lift up those who are suffering and in need. During the holidays and throughout the year we share the gifts of music, companionship and goods with those who are needy, ill or homeless and their caregivers. This season we are proud to partner with UMOM shelters, the Banner Alzheimer Institute (BAI), St. Matthew School and several senior communities. We are *"The choir that cares."*

We are looking for a few good singers. NVC practices on Wednesday evenings at the Phoenix Boys Choir, 1131 E. Missouri Ave, Phoenix, AZ.
Visit us on the web for more information about the NVC.

We Need a Little Christmas

Jerry Herman

Haul out the holly,
Put up the tree before my spirit falls again.
Fill up the stocking.
It may be rushing things, but deck the halls again now,
For we need a little Christmas right this very minute,
Candles in the window, carols at the spinet,
Yes we need a little Christmas right this very minute.
It hasn't snowed a single flurry
But Santa dear we're in a hurry so
Climb down the chimney,
Turn on the brightest string of lights I've ever seen.
Slice up the fruitcake.
It's time we hung some tinsel on that evergreen bough,
For we need a little Christmas right this very minute,
Candles in the window, carols at the spinet,
Yes we need a little Christmas right this very minute.
We need a little Christmas now,
We need Christmas now!

♪ **It's Beginning To Look a Lot Like Christmas**
Meredith Wilson

*It's beginning to look a lot like Christmas
Everywhere you go.
Take a look in the five and ten
Glistening once again
With candy canes and silver lanes a-glow.
It's beginning to look a lot like Christmas,
Toys in every store.
But the prettiest sight to see
Is the holly that will be
On your own front door.
A pair of hopalong boots and pistol that shoots
Is the wish of Barney and Ben.
Dolls that will talk and will go for a walk
Is the hope of Janice and Jen.
And Mom and Dad can hardly wait for school to start again.
It's beginning to look a lot like Christmas everywhere you go.
There's a tree in the grand hotel,
One in the park as well,
The sturdy kind that doesn't mind the snow.
It's beginning to look a lot like Christmas.
Soon the bells will start,
And the thing that will make them ring
Is the carol that you sing,
Right within your heart,
Right within your heart, Your heart!*
